Notice Regarding Compliance with the Continued Listing Criteria

ACCESS CO., LTD. previously disclosed a plan to meet the continued listing criteria for the TSE Prime Market by April 30, 2026. The Company is pleased to announce that, as of July 31, 2026, the Company has satisfied all of the continued listing criteria, as detailed below.

1. Status of Compliance with Continued Listing Criteria

The status of the Company's compliance with the continued listing criteria for the Prime Market, including historical trends, is as shown in the table below. As of January 31, 2026 (hereinafter referred to as the "Reference Date"), the Company did not meet the criterion for the market capitalization of tradable shares; however, as a result of initiatives undertaken in accordance with the plan to achieve compliance, the Company met the criterion as of July 31, 2026. Consequently, the Company now satisfies all items of the Prime Market's continued listing criteria.

		Number of Shareholders	Number of Tradable Shares	Tradable Share Market Capitalization	Tradable Share Ratio
Company's Status	As of Jan. 31, 2026	10,057	174,124 Units	98.0 billion yen	43.5%
	As of Jul. 31, 2026	9,959	247,193 Units	103.8 billion yen	61.8%
Prime Market Continued Listing Criteria		800	20,000 Units	100 billion yen	35.0%
Compliance Status		Compliant	Compliant	Compliant	Compliant

Note: The Company's compliance status is calculated based on the distribution of the Company's share certificates, etc., known to the Tokyo Stock Exchange as of the Record Date, and is transcribed from the "Status of Compliance with Continued Listing Criteria" received from the Tokyo Stock Exchange.

2. Status of initiatives to meet continued listing criteria

In accordance with the plan announced on April 30, 2026, to meet the criteria for continued listing, the Company has been working to expand its IoT, Web platform, and Network businesses. Simultaneously, the Company has taken steps to rectify the deficiencies that led to designation as a "Security on Special Alert" on August 27, 2025, and to establish a robust internal control system. On August 27, 2026, the Company submitted a Confirmation Letter on Internal Management System stated its internal control system to the TSE and are currently undergoing a review of the internal control system

by TSE on that Letter. As a result of these efforts, the Company has come to satisfy all listing maintenance criteria, including the "market capitalization of tradable shares" requirement that the Company previously failed to meet.

Moving forward, the Company will continue its efforts to strengthen revenue base and improve internal controls and governance, aiming for sustainable growth and the enhancement of corporate value.
