Notice regarding Litigation in the United States

Filed against the Company's US Subsidiary

We hereby give notice that a new lawsuit was brought against ACCESS CO., LTD. (the "Company") and its US subsidiary, IP Infusion Inc. ("IP Infusion"), with another co-defendant in the Superior Court of California, Santa Clara County, USA (the "California Litigation").

Although service of process in the California Litigation has not been made to the Company, it was served on IP Infusion on September 17 (U.S. time), and we have excerpted the following information from the complaint against IP Infusion in the California Litigation:

1. Date that the California Litigation was initiated

September 8, 2026 (US Pacific Daylight Time)

2. Cause of Action and Background

The plaintiffs allege in the California Litigation that they suffered damages arising from wrongful termination of their employment from IP Infusion.

3. Description of the Plaintiffs

Two former executive officer employees of IP Infusion (joint plaintiffs in the California Litigation)

4. Claims in the California Litigation

Although each of the plaintiffs demand recovery of damages from the defendants in the California Litigation, such plaintiffs have not specified any amount of damages whatsoever in their complaint in the California Litigation.

5. Corporate Information of IP Infusion

- (1) Corporate Name: IP Infusion, Inc.
- (2) Location : California, United States
- (3) Representative: Tom Savoie, Chief Executive Officer
- (4) Business Overview: Development and provision of software for network devices
- (5) Capital: USD 115,781,000

6. Next steps

Before the California Litigation was initiated, IP Infusion had previously brought a separate lawsuit before the Court of Chancery in the State of Delaware (Delaware Court of Chancery) on August 27, 2026 US Eastern Daylight Time claiming breach of fiduciary duties, misappropriation of corporate assets and other claims against the plaintiffs in the California Litigation arising from the conduct of these two former employees while serving in their capacity as executive officers at IP Infusion.

Regarding the California Litigation, IP Infusion denies all allegations of wrongdoing in the plaintiff's complaint, believes that the plaintiffs' positions are without merit based on facts and evidence, and intends to vigorously defend itself in all respects.

The possible impact cannot be estimated at this time, but the Company intends to promptly disclose any material developments with respect to these litigation matters in its future periodic reports, as necessary and appropriate.
